## GIVE A STATUE A VOICE!

The public writing competition sponsored  
by [audible.co.uk](http://audible.co.uk)

Across London and Manchester, 4 statues still await the gift of speech. Here's a chance for budding writers to get their words heard on the street. Or In the Royal Parks... Or in The British Library ...

The winning monologues will be recorded by well-known actors and included as part of *Talking Statues*.

The statues will talk in time for Christmas.

**The competition closes on 17th October 2014**
